

September 30 to October 2, 2019

The 5th International Drug Discovery and Development Forum 2019

New Trends in Small Molecule Drug Discovery: “Artificial Intelligence, Cancer-Cell Vulnerabilities and Immunology

IS PROUDLY CELEBRATING

The DDTP’s 10 year anniversary (2009 – 2019)

From left to right: Dr. Lijun Sun, Dr. Anne Marinier, Dr. Mildred Acevedo-Oduncum, Dr. Shahar Keinan, Dr. Shanrong Zhao, Dr. Bertrand Jean-Claude, Dr. Alain Nepveu, Dr. Ornella Franzese, Dr. Kristen Smith, Dr. Anne-Marie Mes-Masson, Dr. Jian Hui Wu, Dr. Joshua Pottel

Day 1 – September 30, 2019 Special Educational Sessions

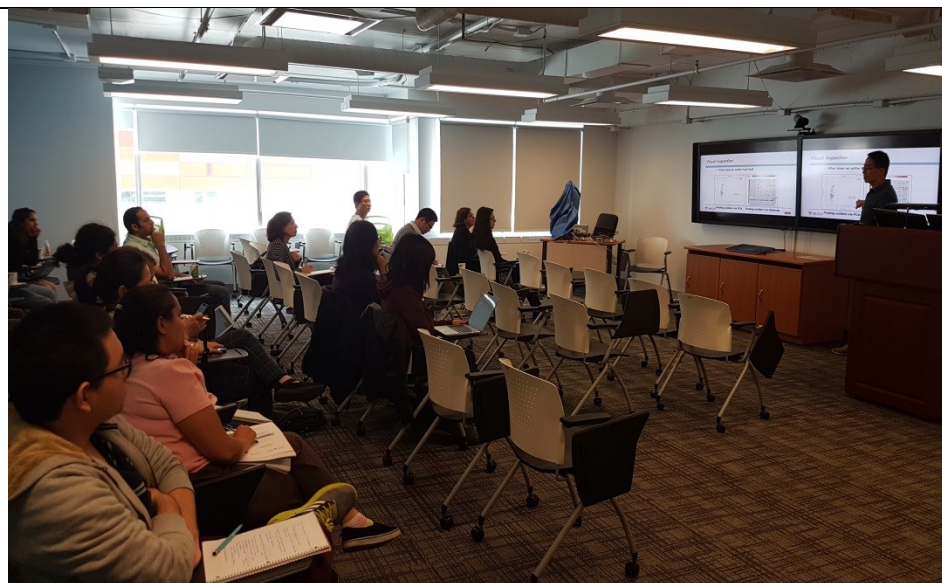

Special educational session on advanced microscopy for drug discovery led by Dr. Min Fu

Introduction to hyphenated NMR techniques biochemical / Biomedical applications led by Dr. Robert Hambalek

Special educational session on Metabolomics – From basic concepts to Practical Dta Analysis led by Dr. Jeff Xia

Special educational session on Practical Proteomics led by Dr. Kurt Dejgaard

Special educational session on Metabolomics by MASLDI TOF Imaging
led by Dr. Nidia Lauzon

Special educational session on Matrix and metal assisted laser desorption
ionization for high spatial resolution imaging led by Dr. Pierre Chaurand

DAY 2 – OCTOBER 1, 2019 – SYMPOSIUM I - SMALL MOLECULE ANTI-CANCER DRUG DISCOVERY

& SYMPOSIUM II CHEMISTRY & IMMUNOLOGY

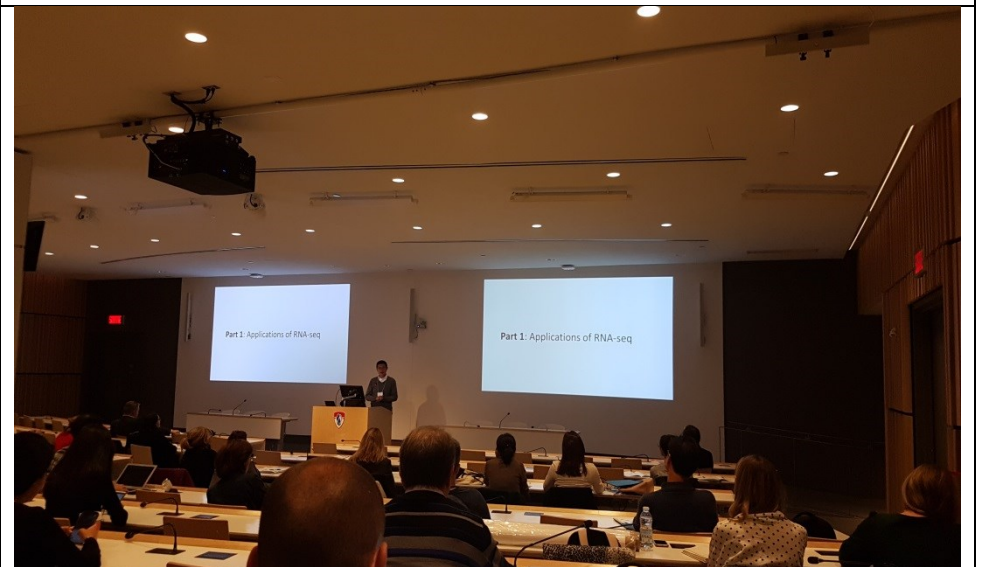

Presenting: Dr. Mildred Acevedo-Duncan

Presenting : Dr. Anne-Marie Mes-Masson

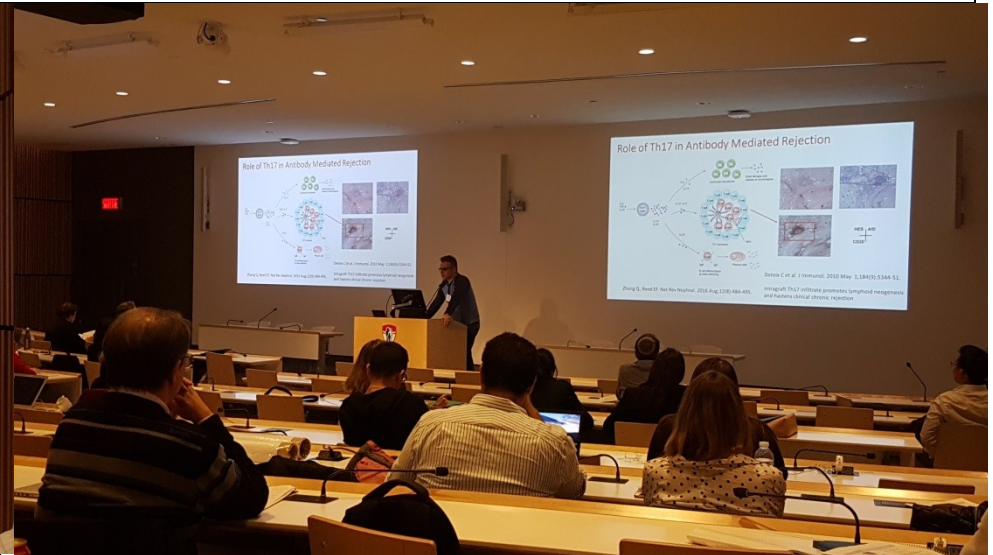

Presenting: Dr. Shahar Keinan

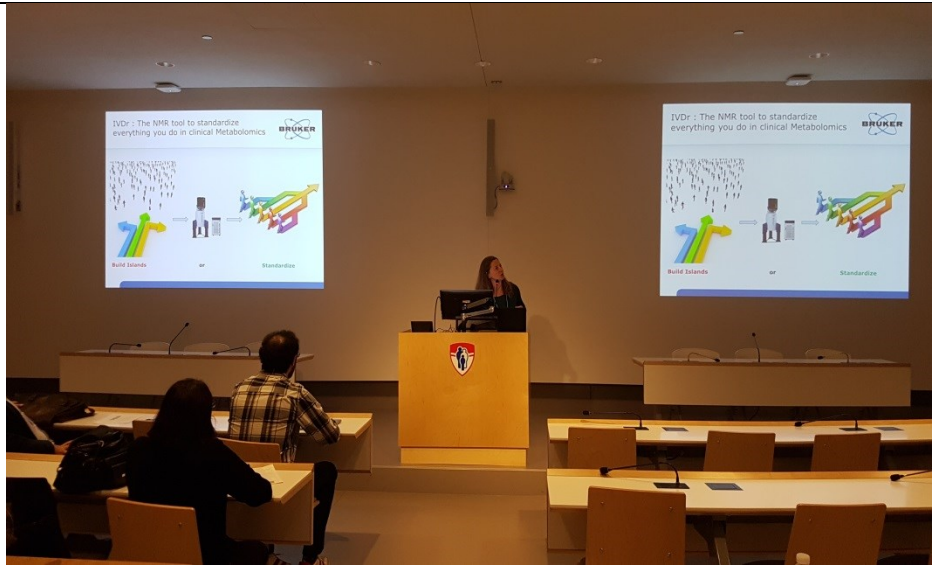

Presenting: Dr. Shanrong Zhao

DAY 3 – OCTOBER 2, 2019 – Oral Presentations

ACADEMIA-INDUSTRY SESSION

Dr. Martine Monette presenting the multidisciplinary CTB Drug Discovery Platform and Bruker collaboration

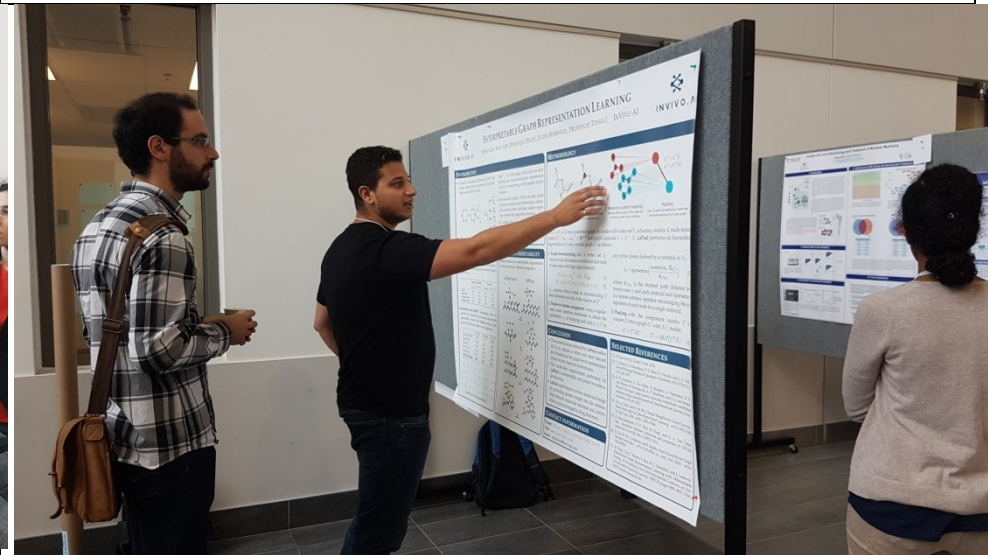

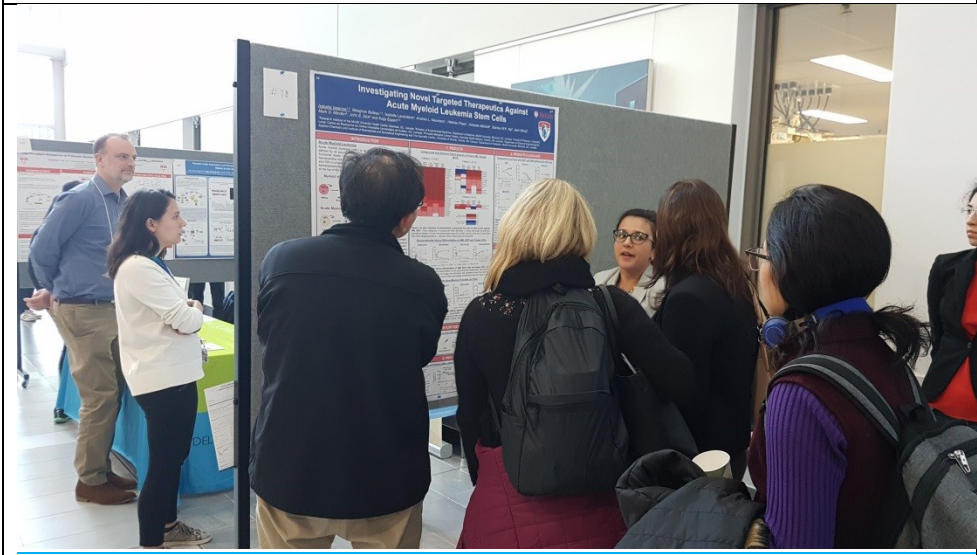

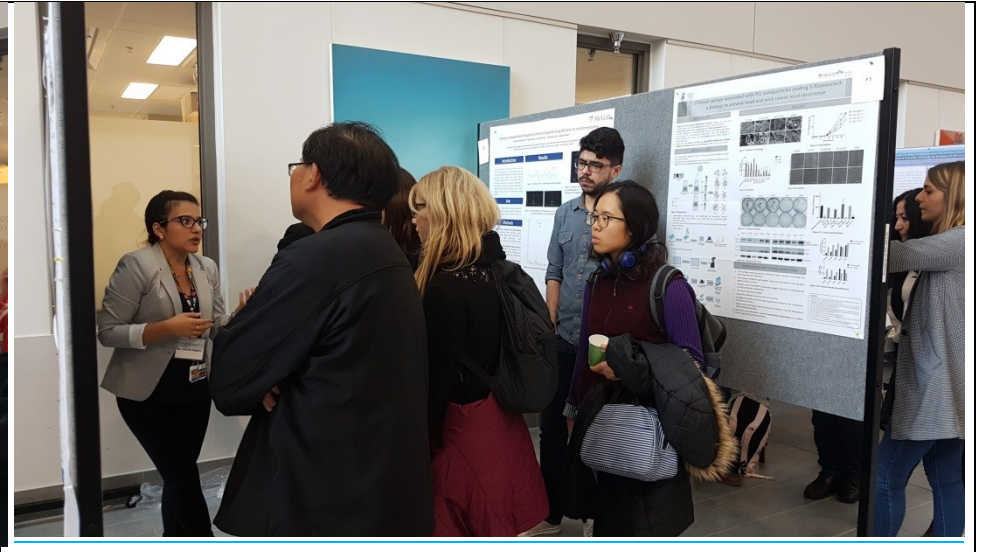

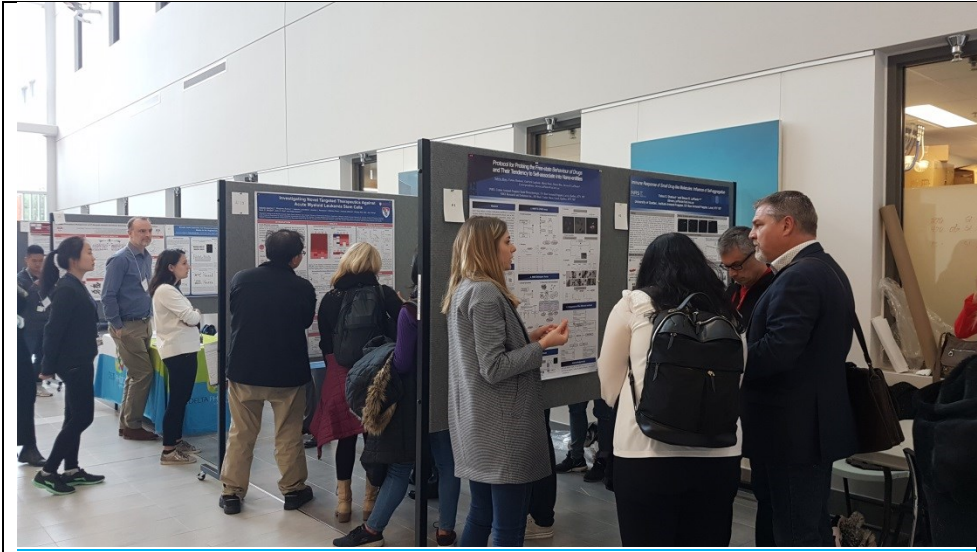

ACADEMIA-INDUSTRY SESSION with Dr. Joshua Pottel, Dr. Martine Monette, Dr. Bertrand Jean-Claude, Dr. Lana Janes

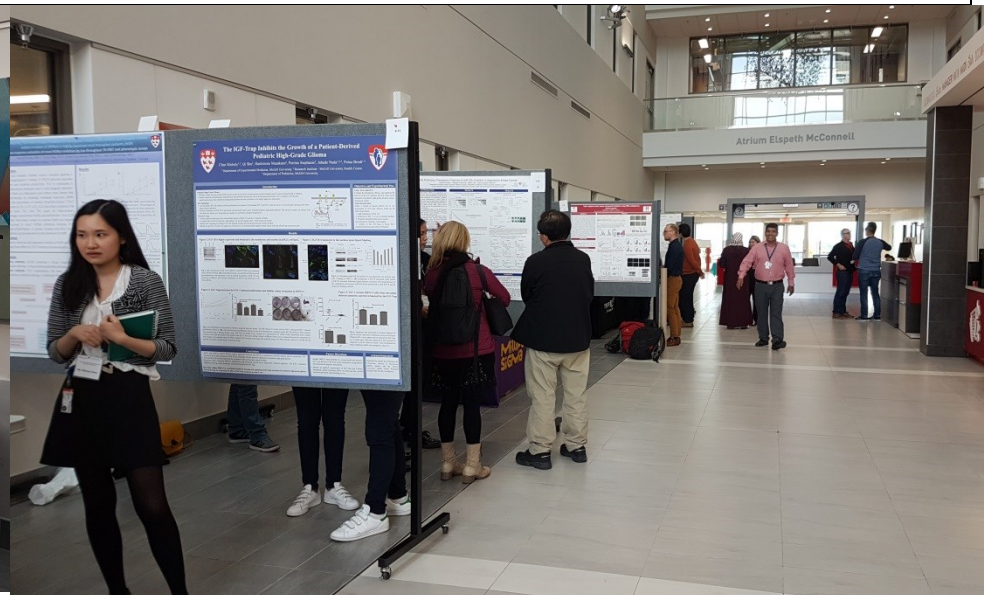

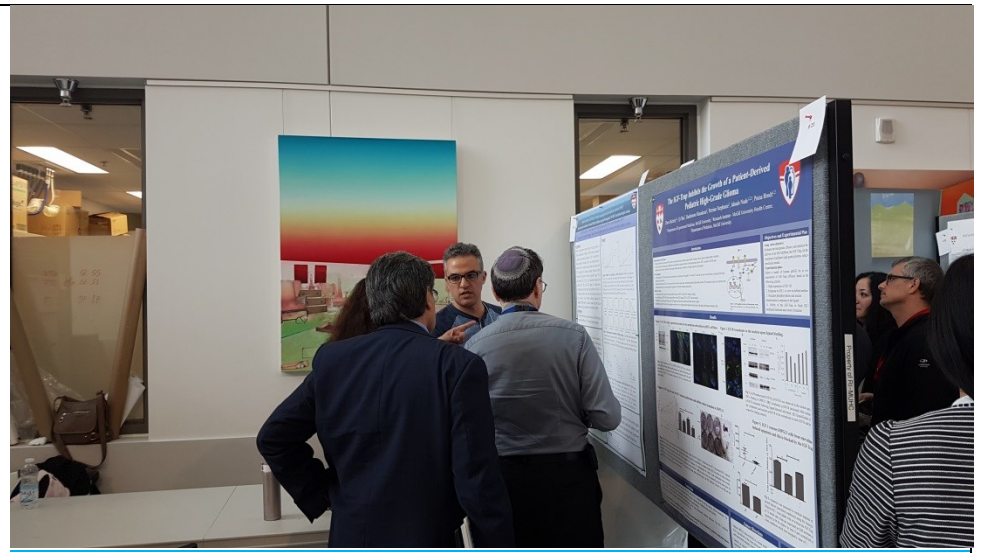

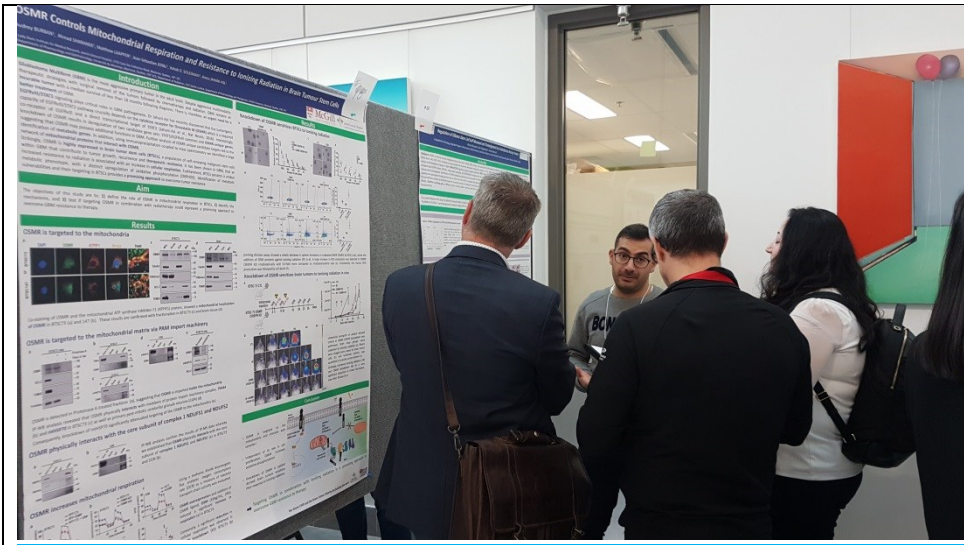

COMMERCIAL EXHIBIT AND POSTER PRESENTATIONS

AWARD CEREMONY WITH DR. PHIL GOLD AS GUEST OF HONOR

Dr. Bertrand Jean-Claude, Director of the DDTP program, is proud to be celebrating its 10th Anniversary (2009 to 2019)

Dr. Bertrand Jean-Claude is recollecting and summarizing the importance of the DDTP program's support to our students and to research

Dr. Phil Gold is thanking Dr. Bertrand Jean-Claude for achieving this 10 year DDTP celebratory feat

Dr. Phil Gold presenting Ms. Faegheh Ghanbari with the 1st prize in the Best Oral Category – “The Dr. Phil Gold Discovery Prize”

Ms. Faegheh Ghanbari is being congratulated by Dr. Phil Gold & Dr. Bertrand Jean-Claude

Dr. Audrey Burban with Dr. Nicolas Moitessier & Dr. Bertrand Jean-Claude

Dr. Nicolas Moitessier presenting an award to Dr. Audrey Burban

Dr. Brian Gilfix is presenting an award to Ms. Jenna Giubilaro

Dr. Ornella Franzese is presenting an award to Mr. Elliot Goodfellow

Mr. Elliot Goodfellow, with Dr. Ornella Franzese, is proudly displaying his award

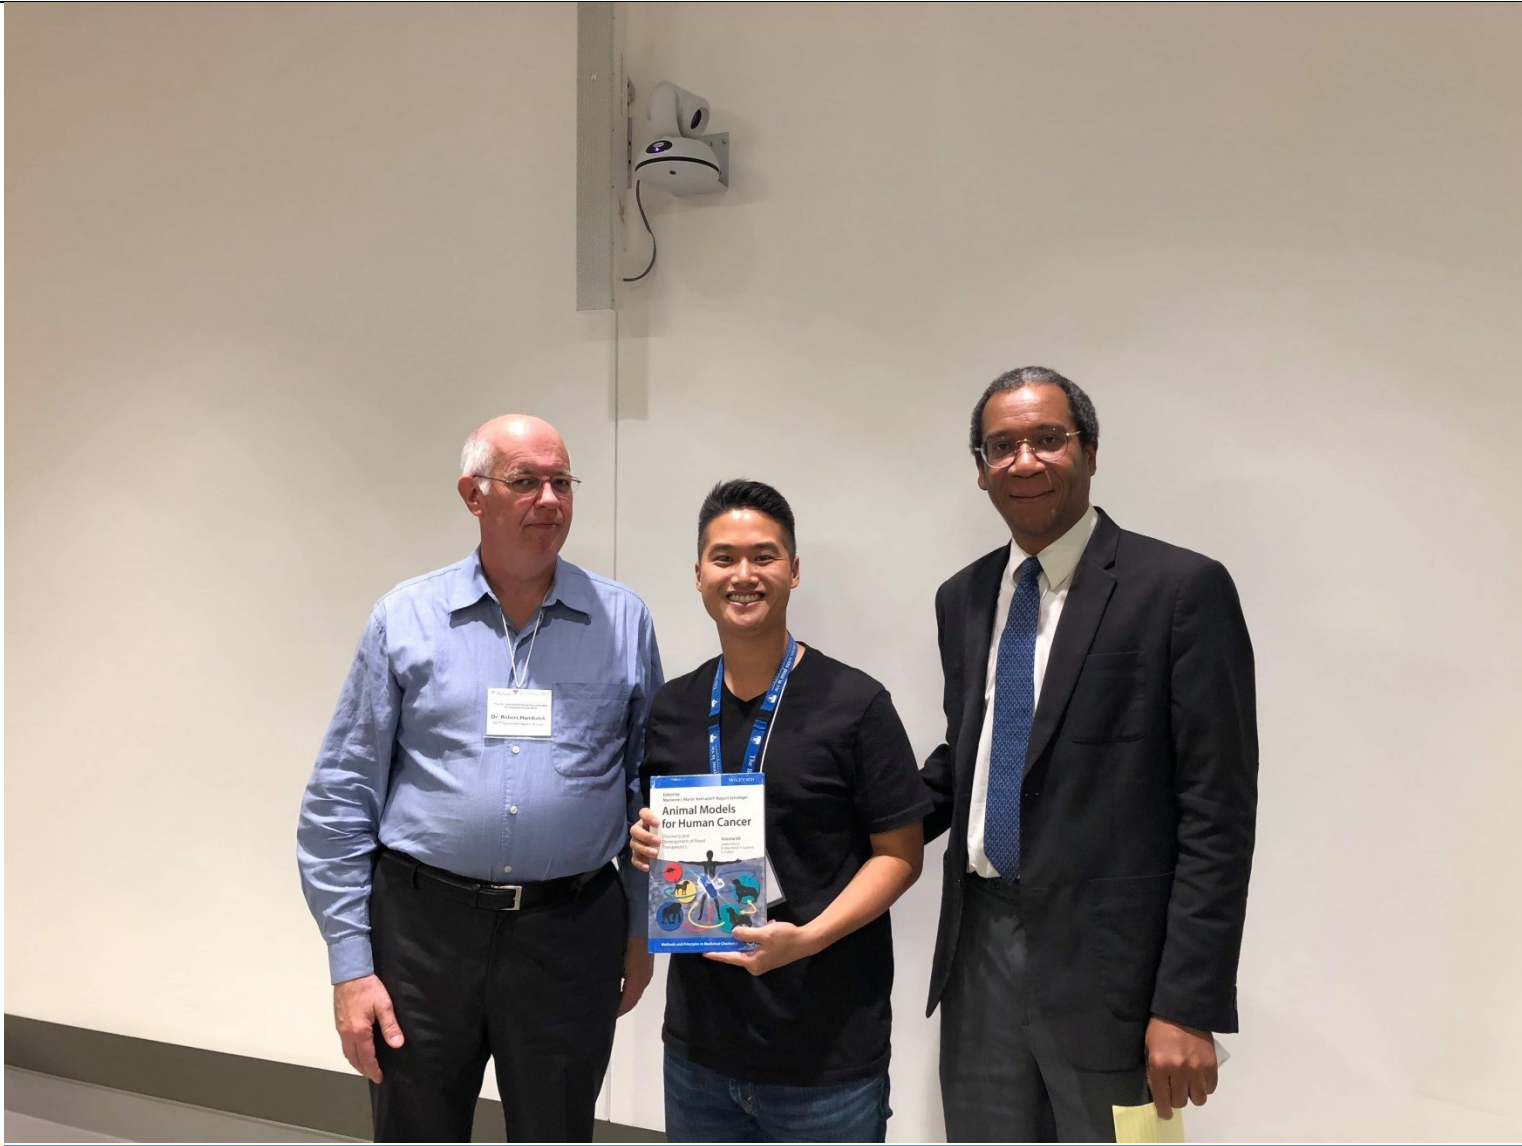

Dr. Robert Hambalek is presenting an award to Mr. Jacob (Jake) Pierscianowski

Dr. Sabrina Wurzba is presenting Dr. Ahmad Sharanek with the “Mark Wainberg’s Drug Discovery Award”, First prize in the Best Poster Presentations

Dr. Nektaria Markoglou is presenting a book award to Ms. Michely Chen

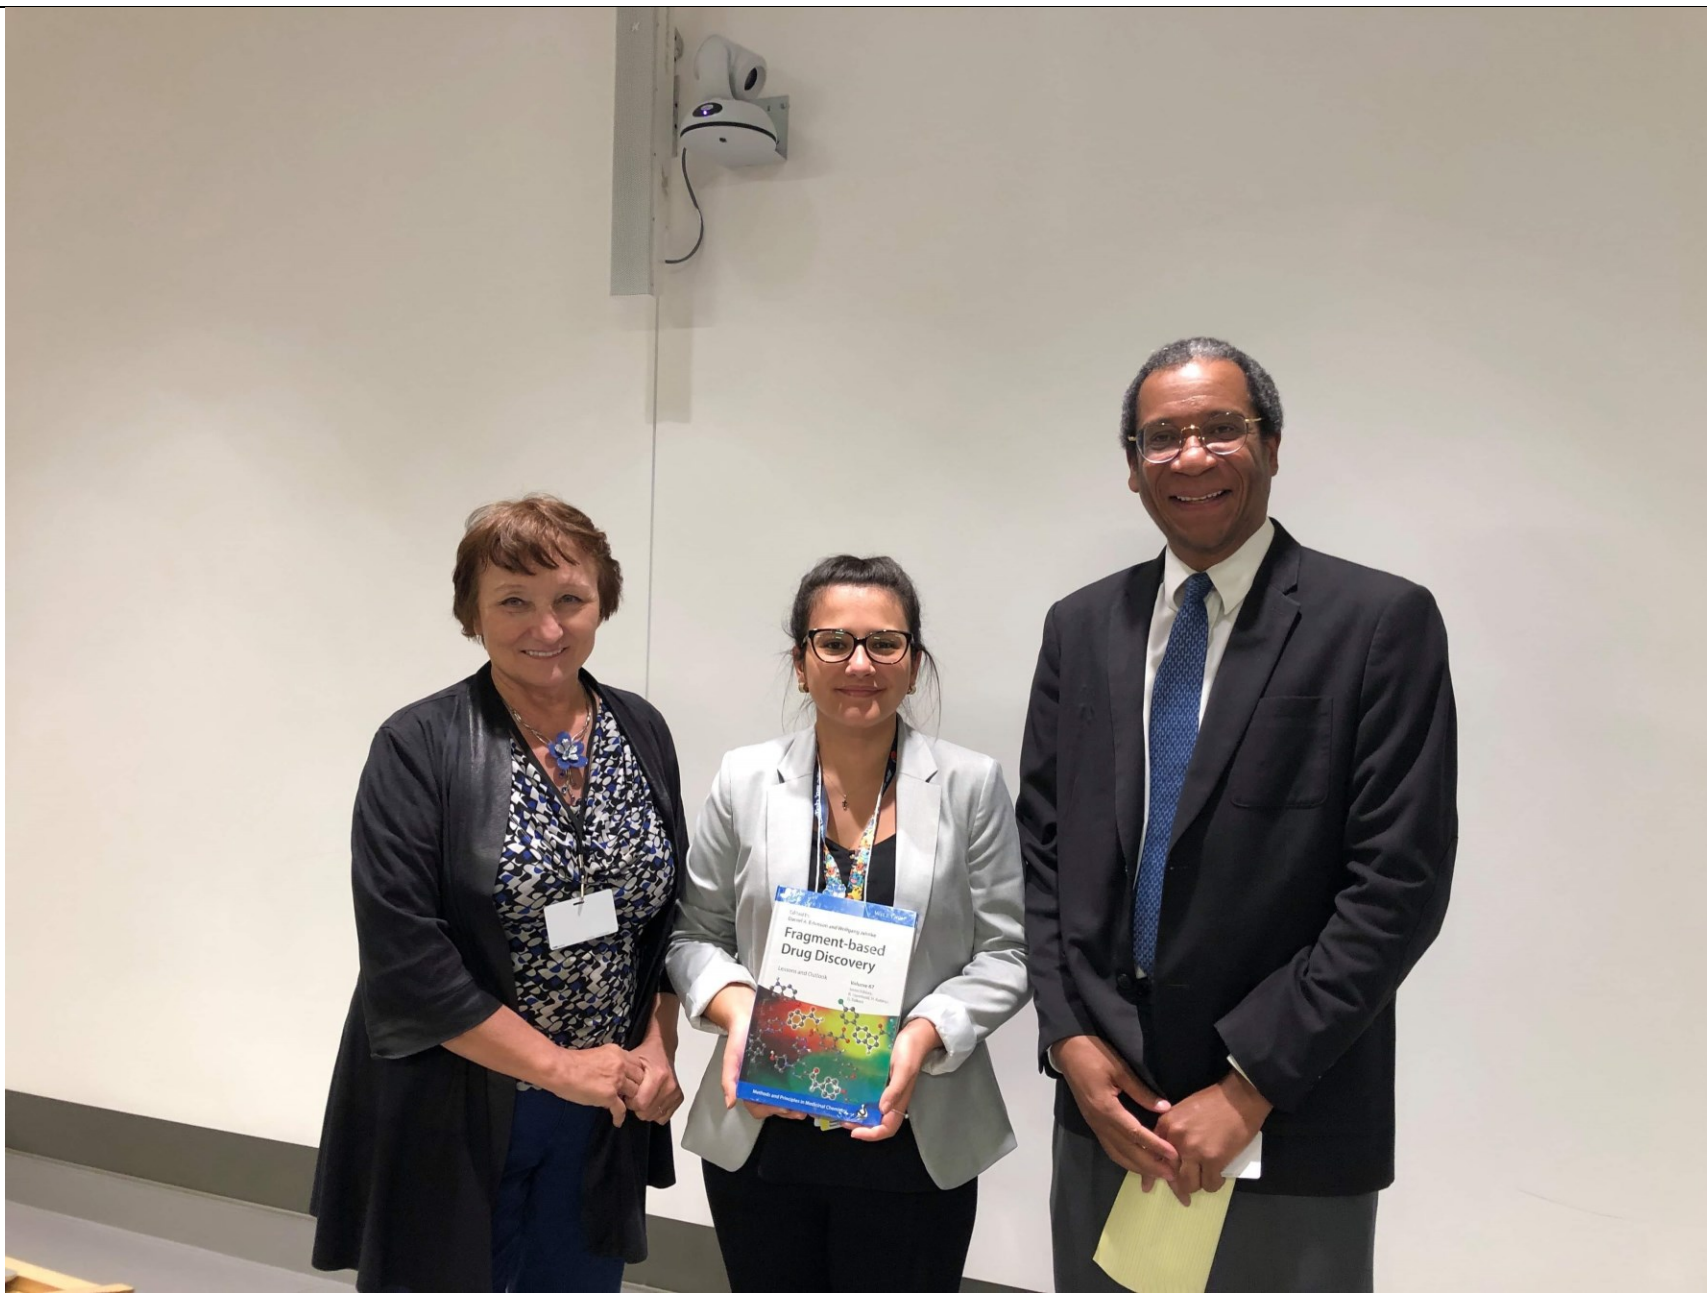

Dr. Robert Hambalek is presenting a book award to Mr. Aaron Cho

Dr. Ornella Franzese is presenting a book award Mr. Yubo Cao

Dr. Nektaria Markoglou is presenting a book award Ms. Dana Sedki

Dr. Danuda Radzioch is presenting a book award to Ms. Isabella Iasenza

Dr. Danuda Radzioch is presenting a book award to Ms. Isabella Iasenza

Dr. Ornella Franzese is presenting a book award to Mr. Yubo Cao

Dr. Bertrand Jean-Claude is presenting a certificate of merit to Ms. Mary Moscone for her administrative assistanceship to the DDTP towards its 10th anniversary (2009 – 2019)
