

INTERNATIONAL DRUG DISCOVERY AND DEVELOPMENT FORUM 2017
INSPIRING DRUG DISCOVERY SUCCESSES

Centre for Translational Biology (CTB) of the Research Institute of the McGill University Health Centre (RI-MUHC)

June 12 to 14, 2017

Sponsorship Opportunity:

Our sponsorship program gives to biotech, pharmaceutical companies, academic research institutes and research foundations the opportunity to:

- Learn about the latest Drug Development Successes.
- Enhance networks, connections and collaboration with the broad spectrum of the Drug Development and Cancer Research community.
- Position their products, brands and services to basic and translational healthcare researchers.
- Enhance your visibility by advertisements and an exhibit booth in the Atrium of the new RI-MUHC.
- Sponsor students and trainees of the Drug Development Training Program with presentation prizes and scholarships
